"I wouldn't be able to go to college if I didn't have this scholarship. I am really thankful. I want to stay in Iowa when I am done with school. When I turn 21, I want to work for a company in Sioux Center, Iowa, and travel the United States working for them."

David Topete, Northwest Iowa Community College, Construction

"It has been really nice to not worry about the financial burden of tuition. I've been able to focus on school. I hope to be working in a doctor's office starting this summer after finishing school, and I plan to start my health-care career in Iowa."

Stephanie Jenkins, Northeast Iowa Community College, Medical Assistant
