

TRI-STATE  
CHRISTIAN SCHOOL

## Math Teacher Job Description

Tri-State Christian School is seeking a full-time Jr. High/High School math teacher. This position begins in August of 2024 and runs concurrent with the 2024-25 school year. The salary for this position will range from \$30,000 to \$40,000 depending on education and experience. A tuition discount for children attending Tri-State is also available. Interested applicants should email their resumes and testimonies to Mrs. Amy Rush (arush@tscs.org).

### **Qualifications and Experience**

The ideal candidate will have earned a B.S./B.A. Degree in Education with successful student teaching experience and/or a degree in mathematics with experience in education. The candidate should have a definite call to teach in a Christian School. In addition, the candidate must be a mature born-again Christian believer, capable of modeling exemplary Christian character and leadership befitting a teacher of a Christian school.

1. Exemplary people skills.
2. Administrative and organizational abilities.
3. Basic computer proficiency.
4. Effective communication skills.
5. The ability to lift at least 25 pounds.
6. The ability to sign the TSCS Statement of Faith and Professional Code of Conduct
7. Actively engaged in life and ministry of an evangelical church
8. The ability to provide a written testimony of faith in Jesus Christ as Savior.
9. The ability to pass a mandatory background check.

### **The main duties and responsibilities of the position include but not limited to:**

1. Study, pray and seek out God's direction in their teaching ministry while employed at TSCS.
2. Under the direction of the principal, be responsible to carry out the instructional programs, policies, and procedures of the school.
3. With input from the principal, prepare and implement a personal plan of spiritual, professional and personal growth.
4. Work cooperatively and interact well with the principal, staff, parents and others concerned with students.
5. Work toward achieving curriculum objectives with the principal.
6. Review lessons and student evaluation results to determine if student needs are being met.
7. Determine the effectiveness of his or her own teaching performance through self-evaluation and reflection.
8. Maintain a classroom atmosphere that is conducive to learning.
9. Teach effectively, a full range of students, from elementary-high school.
10. Develop the program.
11. Develop spiritual maturity of each student through integrating, applying, and communicating Biblical truth.
