****Secondary students will be notified the first week of school of specific supplies needed for individual classes.**

****By 9th grade, students should have an organizational system (notebook vs. 3 ring binders) that works best for them and are encouraged to use that system. If a student chooses not to use a large 3 ring binder for all of their classes, they will need at least a ½" binder for Social Studies.**

****All students will need a bookbag, lunch container, and water bottle****
